

Greater Boston Urology

A PLACE TO CALL HOME

Are you ready to become part of a group that values your input and contributions, and provides a financially sound practice with excellent resources for growth — all while achieving quality of life desired by you and your family?

Greater Boston Urology was founded in 2010 with a vision of bringing together the most sought after urology physicians and specialists in the nation to provide extraordinary urology care with the highest level of patient service. With multiple locations across Massachusetts, our board certified physicians and advanced practice providers have years of experience and loyal patient communities.

Greater Boston Urology continues to build a culture of innovation and excellence where best in class is the standard. Our highly talented and motivated professionals are passionate about making a difference and excel at patient-focused, outcome-driven care.

Due to our next phase of growth, we are seeking a urologist to join our thriving 8-location practice, which includes comprehensive Men's Health, Women's Health & Urogynecology and Cancer Care.

Here's what you'll find:

- Thousands of patients served annually through a collaborative team of General Urologists, Urologic Subspecialists and Radiation Oncologists
- Convenient locations – for patients and staff – and early adopter of leading diagnostic and treatment protocols
- Revolutionary cancer treatment procedures, including HIFU, Robotic Prostatectomy, Robotic Nephrectomy and care through our In-house Advanced Prostate Cancer Clinic and Interventional Radiology Centers
- Comprehensive urologic care including specialty care in Oncology, Stone Disease, Female Pelvic Reconstruction and Sexual Medicine
- Selected additional procedures: Aquablation, Axonics, Botox, Bulkamid, InterStim, GreenLight, Rezūm and UroLift
- Ancillary services: Imaging, Lab, Genetics, Genomics and Advanced Practice Providers

Let's discuss the opportunity to become a part of a patient-focused partnership.
